Forwards resolutions dated 16 6 43 and 30 1 44 to write off the arrears of Rs 158-5-4 outstanding against the Mutton Stall contractor of Berur Town towards Khist for the year 1942-43 and states that there are no valid reasons for remitting the amount & requests orders in the matter

1) Noted It is stated in resolution dated 16/6/43 that owing to the opening of a mutton stall at Kalikalle, a village at a distance of one mile from Berur, by another contractor on competition and to the prevalence of Cholera for some time in Berur town the contractor has sustained loss and hence recommendation is made for the remission of the Khist amount due from the contractor for 1942-43 But the Deputy Commissioner opines that there are no valid reasons in support of the proposal

2) The Berur Municipal council again in their resolution dated 22 1 48 have

B

resolved that the records in this behalf were examined and that there are valid reasons for ~~the~~ remitting the arrears clear from the contractor

3) Asked for orders

6/8/20/4/48 4) There do not seem to be any valid reasons for granting remission and it does not appear to be necessary to sanction it

5) Further all does not appear to be well with the present accounts The Mural office have lost the records in this behalf which were returned with some objections by the D C and after the lapse of some time have made another account The accounts relate to the year 1902-03

(Sd) [illegible] 21-8-48

4 b) The remission in this case appears to have been recommended obviously on two main reasons viz prevalence of cholera & ~~present~~ opening of another Muttan stall at Gollahalli subsequent to the holding of the Sale- Naturally the opening of ~~Shops~~ another Shop like the at Gollahalli in that village
